

Guide to using a BMW iX3

Register

If you don't have the Urban Connect app on your smartphone, you can download it from the Apple Store or Google Play Store and register with your work email address.

Reserve a BMW iX3

Choose the dates you would like to book.

Add payment method

Before the first booking has been completed you will be asked to enter in your credit card details.

Unlock the car with your smartphone

To start your booking go to "my reservations" in the UC App.

Before the trip

Before driving, check the BMW iX3 for damage and report it via the UC app if necessary. Otherwise, you may be held liable for the unreported damage.

End charging - remove the charging cable

1. Unlock the vehicle so that the charging process ends.
2. Remove the charging cable and hang it back on the device.

Adjustments

Driver Seat: To adjust, use the levers under the seat and to the left of the seat.

Mirrors: Exterior mirrors can be adjusted on the side of the driver's door.

Steering Wheel: The steering wheel can be adjusted using the lever under the steering wheel.

Lights: The exterior lighting is adjusted automatically.

Start the vehicle

1. Briefly check that the key is in the glove compartment together with the charging card.
2. Step on the brake pedal and press the start/stop button. (You do not need the key to start the car)
3. Choose a driving mode (move the shift mode to the right of the seat)

During the trip

Important: Please use the key from the glove box to open and close the car while driving.

Charging on the road

With the [swisscharge.ch](https://www.swisscharge.ch) charging card, you have access to all major charging networks in Switzerland and Europe.

Find a charging station: <https://map.swisscharge.ch/>

After the trip

Return the vehicle to its designated parking spot and put in gear P (Parking).

Start charging

1. To open the loading lid, press on the left rear edge of the loading lid. The vehicle must be unlocked.
2. Plug in the charging cable.
3. To start the charging process, hold the charging card on the charging station.

Do you have all your personal belongings?

Important: The key and the charging card must be put back in the card holder in the glove compartment. Return the car clean and in the same condition as you rented it!

Lock the vehicle with your smartphone

Finish your booking via the UC app.

More info: Owner's Manual

You can find it in the user manual in the car.

Have a good trip!
